Chapter 01 (First Filler)

"Ne Lucy have you ever thought what weapon you would be" Maka asked staring at the blonde. "HmMMM, I haven't thought about that maybe a whip?" She said unsure. Levy roller her eyes "Lucy is more of Meister than a weapon." Levy said confidently. "Eh? Really" Lucy said in shock, then she put her hand on her chin thinking about it. "If I was either of them then who would be my partner?"

"Oh that's easy Gray" said Maka but was interrupted by Levy "You mean Natsu" she said. "wha?!" Lucy said before her cheeks turning a soft shade of pink. "You and Natsu have been best friends since forever, you two have a bond that can never break" said Levy smirking in triumphant. "Well you and Gray make a better team strategy wise I mean it's clear there are sparks between you and him. "What are you delusional sparks are between Natsu and Lucy or known as NaLu." Levy said with fire in her eyes but Maka had combat that with even more fire from her. "You mean GraLu" they started to have an argument. Lucy just sweat dropped before walking out the room. Bumping into her partner "why didn't you tell them Lucy" the blonde said to her.

"Well it would've crushed their spirits" he smirked at her response. "Well this requires a punishment" he said before kissing on her neck finding her sweet spot. "A-ah Laxus" Lucy moaned her arms around his neck. "Lucy you make the most seductive sounds" Laxus said before picking her up and taking her to a more private area to finish. But they didn't know that Levy and Maka was around the corner and saw them. "Well that is jaw dropper" they both mumbled.
